Greetings Aspen Village Homeowners,

The regular election for Directors for the Aspen Village Metropolitan District is scheduled for May 2, 2023, this year.

Please remember that Metropolitan Districts in Colorado are quasi-governmental bodies and must abide by state election laws, so the email is only sent to eligible electors (voters) to the email address on record with the Pitkin County Clerk & Recorder's office for voters.

Per Colorado state law, an eligible elector for a special district election is a person who is **registered to vote** in the State of Colorado *and is either*:

- a. **A resident** within the District Boundaries or an area to be included with the District boundaries on Election Day; or
- b. **The owner (or the spouse or civil union partner of the owner) of taxable real or personal property situated within the District** boundaries or area to be included with the District boundaries. {32-1-103(5)(a) and (b), CRS}

The property owner must be a natural person, not a corporation, trust, partnership, etc.

There are two Board seats open this election cycle for the Aspen Village Metropolitan District Board of Directors. Erik Sweet and Jenny MacArthur the incumbents are considering re-election, and the terms for these two seats are four years.

If you are interested in running for one of the District Board seats for the May 2, 2023 election and want to be added to the ballot, please contact us to obtain a self-nomination form, which includes instructions and eligibility requirements. The form must be submitted to the office of the designated election official by the close of business on Monday, February 27, 2023.
